

OLSON

REUNION

PARTY CREEK

AUGUST 8, 1981

Eighty years past
 Was when Andrew
 Came from Sweden
 To Minniapolis
 The year 1903
 Erik joined him there.
 Potato farming was their livelihood.
 They decided to stay
 Erik sent for his wife and two girls.
 His wife's name was Anna
 And the girls were Marie and Karin
 They crossed the stream
 They had a dream
 They had a dream
 Long, long ago.
 It was Ida and Andy
 Were the ones that were born in Minnisota
 Then Andrew was married
 To Anna Mellin.
 Then from Minnisota
 They all went north to Saskatchewan
 It was 1909
 They were at Gilroy for many years
 They crossed the stream, they had a dream.
 They crossed the stream, they had a dream.

Youngest brother Louis did come
 From Sweden
 To join them there.
 After which he married
 Ellen Erickson.
 Mildred and Gunnar made up their family.
 Esther, Margaret and Frans
 Were the last of five girls and two boys
 For Erik and Anna
 To love and raise
 Out on the prairie
 They crossed the stream
 They had a dream, they had a dream
 Long, long ago.
 Andrew and Anna had four boys
 They were Verner, Henry, Victor and Lennart
 They remained on the farm in Saskatchewan,
 Andrew's sister Anna
 Married a man who lived in Sweden
 His name was Kallander
 Their children were Erik, Jerva, Hedvik and Harry
 They had a dream, They crossed the stream
 They had a dream.

Erik went west
To Alberta
To find rich land
At Griffin Creek,
It was 1920
Harry Kallander
Went to Saskatchewan.
1924 he came west with Erik
To farm with John Olson at Berwyn
He remained for 10 years
Then he went to his home in Sweden
They crossed the stream
They had a dream
They had a dream
Long, long ago.
The Olson's congregating
In 1981
At Griffin Creek,
So far Andrew
Has had 50 descendants
Erik has had 60
Louis has had 10
And Anna more
We are now a total of one hundred and fifty or more
They crossed the stream, They had a dream.
They crossed the stream, They had a dream.
